

## PRODUCT INFORMATION SHEET

### ZORGE Safety ankle boots S1P SRC

#### Product's description

Men's safety ankle boots in line with the S1P safety class according to ISO 20345:2011. Footwear made of leather contributes to the convenience and comfort of use. The shoes are equipped with a steel toe cap that protects the toes, among others against falling objects, debris, tools. Thanks to the non-slip sole, the shoes are perfect for walking on uneven and slippery surfaces. An additional advantage is the high construction of the shoe, which stabilizes the ankle.

Shoes recommended in the logistics, transport, automotive industry, renovation and construction works. They are also perfect for gardening, agricultural and forestry works. They can be used in mountain tourism.

#### Characteristics

- made in accordance with the standard specifying the requirements for safety footwear – ISO 20345:2011;
- category of safety footwear with additional features for use at work – S1P;
