

## PRODUCT INFORMATION SHEET

### NISTER technical sweatshirt

#### Product description

The NISTER men's technical sweatshirt is made of the highest quality materials. Breathable mesh microflace fabric is used inside, thanks to which the sweatshirt is characterized by high ventilation and insulation. The technical cut of the sweatshirt does not restrict movement, and the added reflective details increase safety when working after dark. The cuffs are finished with an elastic piping. The sweatshirt is available in a fashionable grey melange colour with blue accents, and a wide range of sizes (from S to 3XL). Perfect for production and construction workers. Also recommended for fitters, service technicians and couriers.

#### Characteristics

- very elastic material ensuring freedom of movement;
- material weight 200 g/m<sup>2</sup>;
- material: knitwear 100% polyester;
- pocket made of polyamide/elastane fabric;
- 1x zipped chest pocket;
