

PRODUCT INFORMATION SHEET

TREBEL sweatpants with pockets

Product description

Carefully made men's sweatpants. High-quality materials ensure durability and high comfort of use. The knitted fabric of 65% cotton and 35% polyester protects against excessive sweating and discomfort, it does not discolour and pill. In addition, the technical cut does not restrict movement, and the added reflective details increase safety when working after dark. The front of the leg from the bottom to the knees is reinforced with abrasion-resistant OXFORD 600D fabric. The sweatpants are available in black colour with blue accents, and a wide range of sizes (S to 3XL). They are designed for professionals. Perfect for production, construction, transport workers and car mechanics. They are ideal for service, installation and technical works.
